John Manley, founder and sole proprietor of Machine Tool Systems Inc., specializes in “precision and production grinding”, abrasives and filtration systems. John was a technical writer for Canadian Machinery and Metalworking Magazine for “Tech Talk”, and focused on grinding technology. He has been a board member of CMTDA since 2002, an advisory board member of United Grinding Technologies Inc., and has represented many companies throughout Canada.

Some of his specialties have been Machine Tool Distributor Sales – Niagara Region; focused on CNC metalworking machinery and automation; Machine Tool Distributor Sales – Greater Toronto Area; CNC grinding; Walter Grinders, Inc. (manufacturer of CNC Tool & Cutter Grinders)

He was stationed in Ann Arbor, Michigan and managed Michigan and Central Canadian markets for applications/sales, was North American Automotive accounts manager and co-designer of tool rooms for GM and Ford.

Directions:

La Vedette Banquets is located just south of Langstaff Road on the west side of Rivermede Road.
