**Directions from Toronto:** Take Hwy 400 north from Toronto to Hwy 89 West. Drive through Cookstown towards Alliston on 89 (approx 18 kms) Turn left at Tottenham Road. Continue past Albert Street. The Entrance to Plant 1 is on the right.

**Plant Tour Information:** Plant tours are conducted when the plant is in operation and your safety is top priority. Safety glasses will be provided. High heels, open toes or open heeled shoes cannot be worn. Cameras and video cameras are not permitted inside the plant.

The two plants are state of the art facilities for the manufacturing of 4-door Civic, Acura 1.7 EL, Acura MDX and Honda Mini Van. With 450 acres (of which 45 acres are under roof), the plant employs 5000 people and has invested 1.4 billion in capital. They produce 350,000 vehicles per year. HCM production serves not only the Canadian market, but is also exported to the United States, Japan and 12 other countries.

At this plant Honda does metal stampings, die shop, body welding and assembly. Honda has won the J.D.Power and Associates award in the past and are ISO 14001 (Environmental management) Certified in and ISO 9002.

The tours take place while the plant is in operation. As such, there are inherent hazards in the form of material delivery equipment and other vehicles; sparks from welding equipment; noise, etc. It is essential that all tour guests wear the personal protective equipment provided, and that they are attentive to and follow the instructions of the tour guides or other Honda Associates at all times. Honda Canada Mfg. reserves the right to refuse tour requests or cancel tours as dictated by business needs. If a scheduled tour must be cancelled, HCM will make every effort to notify concerned participants in advance.

**Attention:**

1. You will be asked to show photo ID when checking in at the Plant 1 Security gate.
2. If you are traveling by bus, please have your driver check in with Security upon arrival. For safety reasons buses are to remain on the property for the duration of the tour. Bus drivers are welcome to join the tour.
3. Your visit of Plant 1 will last about 1 hour, including opening comments and questions and answers. The walking portion of the tour is about 2 km in length and approximately 45 minutes in duration. This tour includes stairs and is not wheel chair accessible.
4. Safety glasses and headsets will be provided. All tour guests must wear long pants, closed toe and closed heel shoes. Open toe or open back shoes and shorts are not allowed in the plant.
5. Individual guests must be at least 12 years of age. School groups must be Grade 9 or above.
6. Groups are limited to a maximum of 20 guests, total, for safety reasons.
7. Cameras, video-cameras, cell phones, pagers, IPODS and other electronic devices are not permitted in the plant. Guests bringing these items will be asked to leave them at Security.
8. No food or beverages of any kind are allowed in the lobby or on the tour. Vending machines and cafeteria services are not available for guests.
9. Solicitations of any nature are not allowed.
10. In compliance with local by-laws, we ask all guests to please refrain from smoking in the building or anywhere else on the property.

We trust you will understand our reasons for the above guidelines, and we thank you in advance for your cooperation. If clarification of the above is required, please contact Lisa MacKenzie at (705) 435-5561 ext. 2101 or by email at [lisa\\_mackenzie@hcm.honda.com](mailto:lisa_mackenzie@hcm.honda.com).
