

Society of Manufacturing Engineers Phoenix Chapter 67 in association with SME International Presents the:

“YESCO, Young Electric Sign Company Tour”

Since 1920, the signs and people of Young Electric Sign Company have played an important role in the sign-making industry. Show up and witness where the skilled YESCO craftspeople, working with the most advanced tools, can manufacture a virtually unlimited array of signs. Everything from the lost art of neon glass bending, to the fabrication and painting of the most state of the art signs comes to life under one roof.

Directions:

YESCO is located in Chandler just south of Chandler Boulevard & East of I-10. Head South on N. Beck from Chandler Boulevard to Chicago St and drive West. YESCO is on the South Side of the street.
