6:00 - 8:30 PM

Dear Members and Friends of SME Chapter 079:

I want to thank everyone who attended the February Technical meeting, even with the bad weather. Bill Kaufman gave a great presentation about our country and we it is headed. It does not look got. Everyone as a country needs to understand what is happening to are Manufacturing Companies and what needs to happen to get it back. A good place to find all the information you need would be the internet.

Hope to see everyone at the up coming Technical events. We will continue to have interesting and thought provoking events throughout the remainder of the year. Invite a friend to join you on one of the tours and make sure to check the website for any changes.

Come share these experiences with your friends and SME Chapter 79.

Sincerely,

Matthew Maj
Chairman, SME Chapter 079
