Dear Members and Friends of SME Chapter 079:

I want to thank everyone who attended the April meeting at Dawn Foods. You may or may not know that almost all of the bake goods at your local grocery store are Dawn food products from Donut mix to Cake mix. The Company started in Jackson, Michigan and has spread across the country. And in the last couple of years they have step out into different countries. Wow what a tour.

Hope to see everyone at the up coming Technical tour at Bekum. We will continue to have interesting and thought provoking events throughout the remainder of the year. Invite a friend to join you on one of the tours and make sure to check the website for any changes.

Please visit linkedin.com at SME Chapter 079 and chat with friends and others in the manufactured industry.

Come share these experiences with your friends and SME Chapter 79.

Sincerely,

Matthew Maj
Chairman, SME Chapter 079
