Ann Arbor Area – Chapter #079

September 2, 2009

***Executive Committee
Meeting***

Saline Lectronics, Inc.
710 N Maple Rd
Saline, MI 48176

Tuesday, September 8

6:00 - 8:30 PM

Dear Members and Friends of SME Chapter 079:

I want to welcome our membership back from your summer activities. Many with children will be heading them back to school and soon the leaves will be turning. Members, consider bringing a few engineering-enthused youngsters to some of this year's Technical Tours and Presentations, check our website for upcoming announcements and don't miss out on SME Detroit's Manufacturing Employment Advocacy (MEA) Workshop, September 17th at Macomb Community College.

The Executive Committee would like to give a warm welcome to all new members of Chapter 079. I would like to give a special welcome to new members: Dr. Lin Li PhD and Larry Stover. I hope to have the chance to meet with everyone new and to address the needs and concerns of each new member before year's end –so please do come out to the Technical Events and consider attending at least one Executive Committee Meeting!

SME Chapter 079 is seeking a secretary for 2010. If you have an interest in a light-duty IT position and would like to become active in leading the business of our chapter, please don't hesitate to contact me at www.smechapter79@gmail.com.

Business leaders, if your company is looking for a place to advertise, SME and Chapter 079 can help! Your organization's company logo can be one of the first things visitors to our website will notice. Email smechapter79@gmail.com to get your logo and link posted!

Come share these and many other experiences with your friends and SME Chapter 079.

Sincerely,

Matthew Maj
Chairman 2009
