#### **Event Summary:**

This is great opportunity to view first hand the innovative Manufacturing Engineering research being done at the University of Michigan, Ann Arbor.

This tour will include:

- The National Science Foundation (NSF) Engineering Research Center for Reconfigurable Manufacturing Systems
- The S. M. Wu Manufacturing Research Center
- The NSF Industry University Collaborative Research Center on Intelligent Maintenance Systems

The tour will be preceded by a presentation providing an overview of the College of Engineering Program in Manufacturing, and the GM Collaborative Research Lab.

Join us for a unique opportunity to see innovations in manufacturing first-hand.

**Admission:** No Charge

**Recertification:** Attendees will earn credits toward renewal of CMfgT, CMfgE, CEM, or CEI certification.

***Space for this unique SME event is limited. Make your reservation today!***
