Dear Clint:

The following is quoted from a recent report received from our office in Dallas, Texas. This is sent merely for your information and requires no answer.

"The Secretary of the Houston Executive Council (CIO) gave full support to the program during this week. Just as soon as a preview can be arranged with other officials of the council and an operating plan drawn up a full union institute will be held which will probably be within the next six weeks."

Very sincerely yours,
