Springfield Chapter 321

Tuesday, March 14th, 2006

Student Chapter Presentation

Our student chapters at MSU and OTC will be presenting the work and projects that they have been involved in this past school year. MSU will present information on their recent participation in the National Collegiate Battlebots Competition and the National Association for Industrial Technology (NAIT) robotics competition. The OTC student chapter is involved in a project in coordination with the SAE group designing and building a Baja Race Car.

For a reservation contact Jim Sutton at (417) 829-5392
