Student Chapter Joint Meeting
Join us at
Ozarks Technical Community College

Join SME 321 for a joint meeting with student chapters from Missouri State University and from Ozarks Technical Community College. This is a great opportunity for parent chapter members to meet the student members that they support, to learn what projects the students are involved with, and to build relationships that will help students transfer to the parent chapter upon graduation. This is also a good opportunity for students of both chapters to meet and discuss possible collaborative projects.

Please make your reservations by March 10, 2008. Meal: Pizza

For a reservation, contact Jim Sutton at (417) 616-5392
