Plant tour of Southwest Power Station

This will be a plant tour of the Southwest Power Station. This is where they are adding onto the existing station in order to handle the increased power requirements for the City of Springfield. To get there; take Sunshine Street west out of Springfield to Farm Road 164. Turn left on Farm Road 164 and park in the first 2 parking lots. Go to the guard shack and he will direct you where to meet at.

*For a reservation contact James Sutton @ (417)689-9607 or
