SME Northern Lights Chapter 370 proudly presents

Why Robotics?

Presented by Wayne Spooner, Eastern and Western Regional Sales Manager
(website: www.motoman.com)

Motoman provides robotic automation solutions to welding, assembly, clean room, coating, dispensing, cutting, material handling, packaging and many other applications in manufacturing. Wayne will illustrate a broad range of robotic automation installations. Wayne is currently helping an Edmonton area manufacturer install its second robotic system. Robotics are used in manufacturing for many reasons, not the least of which is a shortage of manpower.

The following questions will be addressed:

- Why automate?
- How do you know you are a candidate for robotic automation?

About Our Speaker:

Wayne Spooner, based in Montreal, has worked in automation and robotics since 1989 and has been with Yaskawa Motoman since 1996. He has made more than 400 robotic automation installations for industries from welding to life sciences.

WHERE TO GO!

University Faculty Club
11435 Saskatchewan Drive

Wednesday, June 13, 2007

Social Hour: 5:30 to 6:30 pm
Dinner: 6:30 to 7:30 pm

Box 1333
Edmonton, AB T6H 4J8

Thank you...

for reading the **Northern Lights**. If you are interested in presenting at an SME dinner, please contact Dave Budney, drbudney@shaw.ca. Kindly include the field you are working in and the subject you are interested in presenting to the chapter members and guests.

Mark your Calendars for AME's 2007 conference!

Success today is not company vs. company, it is infrastructure vs. infrastructure—and that begins in Edmonton.

With more than **70 available learning experiences** including 8 International Keynote Speakers, 36 Best Practice Presentations, 14 Workshops, 12 On-site Plant tours. Success in Manufacturing begins in Edmonton this June
