SME CHAPTER 174

COLUMBUS, INDIANA

COLLEGE SCHOLARSHIP APPLICATION

TO: High School Students in Southern Indiana

Attached you will find an application for a scholarship to be funded by the Society of Manufacturing Engineers, Chapter 174, based in Columbus, Indiana. This Scholarship is intended for students who plan a course of college study that will lead to a career in Manufacturing. Examples of acceptable courses of study include Engineering, Engineering Technology, or Physics. However, other courses of study may also be acceptable.

Chapter 174 is particularly interested in supporting students who are in the "Tech Prep" curriculum in High School. Consideration will be given to applicants from Tech Prep curriculums.

The scholarships will be awarded based on high school grades and class rank, SAT scores, outside activities and work, and the career goals of the applicants.

To apply for the scholarship, complete the attached application and return it by **May 15, 2003**, to the address below.
