Chair	Hank Leonhardt	217-299-3498
Chair Elect	Michael Hayden	812-237-3359
Sec/Bulletin	Bill Wortman	812-533-4215
Treasurer	Wes Richardson	812-533-4215
Certification	Jeffery Scales	812-298-1617x5075

## In Case you Missed It

The ASQ and SME joint meeting on January 8 started with socializing and dinner at Mogger's Pub. From there, the group went to the Indiana State University, Myers Technology Center. Dr. Jim Smallwood lead a presentation on Manufacturing and Construction Technology, with assistance by Dr. Gordon Minty, Dr. Jeff McNabb, and Dr. Michael Hayden.

After the presentation on M&CT, the group toured the various areas in the Technology Center. The tour included a hands on operation of a robotic arm. Several lab rooms were visited, as well as the machining training facility. Many of the pieces of equipment at M&CT were state of the art and had been donated by outside companies. This program at ISU surprised many of the attendees in terms of the depth of education that students receive, and it is "the best kept secret" in Terre Haute. ISU would like to make their programs more widely known.

### **Student Chapter (S089) Donation**

SME Wabash Valley Chapter 275 has donated \$1060.00 to the ISU SME Student Chapter S089 to help them construct a hovercraft. This project will help recruit more students and promote SME student chapter activities throughout the university. The finished product will also be used to compete in the annual hovercraft competition held in Terre Haute, Indiana. If you would like additional information, please contact David Oelschlager, SME S089, Chair at [doelschlage@mymail.indstate.edu](mailto:doelschlage@mymail.indstate.edu).

### **Next Month's Program March 11, 2004**

Dr. Leroy Franklin, statistician at Eli Lilly, Clinton Labs, will speak on Process Tampering: Capability and Control as seen by Eli Lilly. The meeting will be held at Richard's Farm Restaurant, 697 NE 13th Street, Casey, IL 62420. Telephone (217) 932-5300. Social at 6:00 pm, meal at 6:30 pm, and program at 7:00 pm. Dr. Franklin always makes technical subjects interesting.
